XXV INTERNATIONAL JUDO TOURNAMENT FOR WOMEN AND MEN "OSVOBOZHENIE" SOFIA 3 - 4. II. 1996

CAT. 48 KG. WOMEN/MEN

The diagram is a genealogical chart with four main columns labeled A, B, C, and D. It shows the relationships between various individuals, likely a family or a group of related families. The individuals are represented by boxes, and lines connect them to show parent-child relationships. Some names are highlighted in pink, including KARAAAGACH, KARHAGACH, KARONIDI, MELEK, and MELEK OKUYCU. Nationalities are indicated by codes: BUL (Bulgarian), TUR (Turkish), YUG (Yugoslav), JAP (Japanese), GRE (Greek), and UKR (Ukrainian). Some individuals have numbers in boxes next to their names, possibly indicating age or a specific identifier. The chart is organized into generations, with the top row representing the earliest generation shown. The relationships are complex, with many individuals having multiple parents or children. The chart is a detailed record of a family's history and lineage.
